- Then click on one of the links and a player containing that interview will appear.
- Each case will include Issue, Cause, Options and Solution video clips.
- At the bottom of the page, there are hyperlinks for additional info and teaching notes.
- Click on the hyperlinks for downloadable resources when used in a case.

## CaseNet Media Inc.

### Annapolis Cider Company 1

Sean Myles, a scientist by training, is the co-founder and an owner of the Annapolis Cider Company, a manufacturer and producer of apple cider products. His company is growing and with growth comes challenges. In this instance the challenge to overcome is where to store finished inventory of cider and the pallets of bottles that eventually become part of that finished inventory.

Interviewee	Sean Myles
Company	Annapolis Cider Company
Industry	Cider
Business Activity	Manufacturing
Headquarters	Wolfville, Canada
Size	Small
Employees	Fewer than 25
Yearly Revenue	Less than \$1 million
Type of Entity	Private Company
Subject	Operations Management
Level of Difficulty	Medium
Teaching Objectives	Enhance inventory management knowledge
Keywords	Inventory Storage
